BACKGROUND

Team Cherwell Triathlon Club is a Banbury-based organisation dedicated to making triathlon accessible to people of all ages and abilities. From junior athletes taking part in their first events to adults seeking to challenge themselves, the club offers a welcoming pathway into multisport participation.

Thanks to Legacy Leisure's Community Grant Funding, Team Cherwell has been able to support the delivery of the Banbury Triathlon, which is hosted every year at Woodgreen Leisure Centre. This local event plays a vital role in encouraging participation in swimming, cycling, and running, while showcasing how inclusive and rewarding triathlon can be.

The grant ensured that the club could provide opportunities for new and returning participants to get involved, with the event catering for a wide range

of ages and experience levels.

As the club explained, "the funding has supported the local community by getting them into exercise and proving anyone is able to take part in this friendly local triathlon, no matter your experience."

In supporting the Banbury Triathlon, Legacy Leisure has helped sustain a much-loved local event that not only promotes fitness and wellbeing, but also inspires new generations to engage in endurance sport.
