

WOUGHTON LEISURE CENTRE

Brazilian Soccer Schools/ Socatots

Brazilian Soccer Schools and SOCATOTS have been operating in the Milton Keynes area for the past 14 years. We offer a technical skills curriculum for children ranging from toddlers right up to 16 years of age, all taught in an age-appropriate manner.

OVERVIEW

Our skills syllabus focuses primarily on ball mastery while also aiming to create a long-lasting love for sports, thereby fostering sporting excellence among our participants.

The grant funding we have received from Legacy Leisure will allow us to provide more coaching staff for our youngest age groups. This increased hands-on support will ensure that the local children attending our sessions receive maximum help to develop their skills and thrive in sport.
