BACKGROUND

Ockbrook & Borrowash Lawn Tennis Club is a friendly, approachable tennis club with one main mission: to provide accessible tennis in the local community, open to all ages, abilities and skill levels.

The well-established tennis club features five outdoor carpeted tennis courts, enabling them to offer a range of opportunities for all ages and abilities to play tennis. From joining in on fun social matches, to hosting competitive events in league matches, the club provides something for everyone.

The tennis club wants to improve accessibility even further, providing more access to sessions for both juniors and adults. Funding from Legacy Leisure will enable the club to hire more staff with Level 1 Tennis Coaching Assistant qualifications, enabling them to expand their offerings and offer more sessions to their members.

The increased number of coaches will also enable the club to extend court usage to several local schools, with more trained coaches available to facilitate the sessions and provide access to sport for more young people.
