MAKING WAVES IN INCLUSIVITY: SEN DISCO'S
COMMITMENT TO ACCESSIBLE FUN FOR ALL

Working in Partnership
with your Local Authority

LegacyLeisure.org.uk

BACKGROUND

Based at Alfreton, SEN Disco is a club that runs a variety of discos at wet and dry centres across Derbyshire, as well as holding some craft activities and soft play sessions.

The club promotes inclusivity, providing those with specialist needs with the opportunity to attend dedicated sessions with the equipment and helpers required to support their learning and development.

The community grant funding was put towards the purchase of equipment, swimming aids, including swimming noodles, and specialist inflatables for supporting juniors and adults in the water, some of which can cost up to £200 each.
