BACKGROUND

Founded over 30 years ago, Brackley Netball Club has an established junior and adult section, with approximately 80 members. The club has received Community Grant Funding from Legacy Leisure to support more coaches and grow participation of the sport.

With teams in the under 11's, under 15's, and seniors age categories, as well a High 5 section of girls and boys up to the age of 11, Brackley Netball Club is well-established within its local community.

In order to support the growth of the club and player progression, Brackley has used the Community Grant Fund to cover the cost of a Level 2 coaching qualification for one member, as well as supporting three players who have embarked on an officiating journey, to further support the growth of the game.

"Having more coaches and being a female sport, we understand the need to grow the game and keep things going. We love impacting and boosting the young girls' confidence in playing, especially the under 15's."
