

HUTTON MOOR LEISURE CENTRE

West Mendip Girls FC

Our History & Mission

Founded in 2008, Weston Mendip Girls and Ladies FC was established to offer competitive football opportunities. We provide a safe environment, led by FA Qualified coaches, focusing on player development, teamwork, and enjoyment.

Growth & Community

Eighteen years later, the club has 250 players across 15 teams in 3 leagues. Run entirely by dedicated volunteers, we provide inclusive football at St Johns Park.

OVERVIEW

Grant Funding Impact

The grant funding was essential for replacing the goals on our 7v7 pitch, ensuring high-quality equipment for training and match days. We depend on such funding to maintain our four pitches at St Johns Park to the highest standard.

Player Development & Pathways

New equipment motivates new players of all abilities to join the club, from ages 4 to adults. We are proud that several players have pursued professional football, securing academy opportunities, with our club being a key part of their journey.
