## BACKGROUND

### Legacy Leisure provides funding for Brackley youth group community event

South Northants Youth Engagement (SNYE) runs youth groups across South Northants, in Towcester and Brackley, helping to engage the youth and community in the local areas. In Brackley, the group is based in Brackley Leisure Centre, operated by Legacy Leisure.

The youth group remains a popular staple of the community. Activities are often fully booked, and the group is always looking for new ways to engage with the community.

Every year, SNYE hosts a summer national play day, with inflatable obstacle courses and other activities, free to attend for the local community. The 2022 event saw over 1,500 people attend, and the 2023 event is set to be just as big.

Funding from Legacy Leisure is helping the group host and run the community play day, providing a free day of fun activities for the young people and families in Brackley.
