BACKGROUND

Barry Town United under 8s, based in Barry Leisure Centre and Colcot Sports Centre in the Vale of Glamorgan, received funding from Legacy Leisure to support the team.

Currently in their second season, Barry Town United under 8s are a relatively new, rapidly growing team. Currently the team has a total of 22 players, alongside a team of coaches.

Community grant funding from Legacy Leisure will help to support the growth of the team, and provide essential training equipment, enabling all the players to be kept engaged and enjoy their training sessions.

The team continues to enjoy a strong relationship with Barry Leisure Centre, and this funding will help to promote the continued growth and development of the club, enabling children from the local community to engage in the sport.
