BACKGROUND

Bella is 17 years old and has been involved in Karate since she was 4 years old. In recent years she has represented at regional level and is now representing internationally for England.

Karate is a completely unfunded sport in the UK. However, thanks to the community grant funding available via Legacy Leisure, Bella has been able to attend and compete in competitions across Europe this year.

Commenting on the support, Centre Manager Michael Lowe, said:

"The funding has been put towards Bella attending the World Championship in Italy in October and she is really excited to get out there and compete on the world stage."
