

## Legacy Leisure Gender Pay Gap April 2022

Legacy Leisure is committed to providing a diverse and meaningful range of leisure and culture related activities for the communities in which we serve. Attracting and retaining a diverse workforce strengthens our ability to deliver these goals. We focus on a culture of inclusion and personal development and seek to provide opportunities for each individual to achieve their full potential and to be rewarded fairly, irrespective of gender.

At Legacy Leisure the mean (average) gender pay gap is -17.52% and a median (average) gender pay gap is -9.30%. Therefore the gender pay gap reflects that female employees in Legacy Leisure are paid on average more than male employees.

The gender pay gap is different from "equal pay". Equal pay is the right for men and women to be paid the same when doing the same or equivalent work. The gender pay gap is the difference in the average earnings of men and women regardless of the job role or work.

## Legacy Leisure Gender Pay Gap April 2021

Legacy Leisure is committed to providing a diverse and meaningful range of leisure and culture related activities for the communities in which we serve. Attracting and retaining a diverse workforce strengthens our ability to deliver these goals. We focus on a culture of inclusion and personal development and seek to provide opportunities for each individual to achieve their full potential and to be rewarded fairly, irrespective of gender.

At Legacy Leisure the mean (average) gender pay gap is 16.94% and a median (average) gender pay gap is 16.99%. Therefore the gender pay gap reflects that male employees in Legacy Leisure are paid on average more than female employees.

Although the gender pay gap from 2020 to 2021 has widened, this is due to furlough. In 2021 due to the impact Covid19 had on the Leisure industry a number of our employees continued to be furloughed for a proportion of the year and were experiencing reduced pay. Legacy Leisure also had a higher proportion of female to male employees during 2021, (43.06% male and 56.94% female) which has added to the impact that furlough has had on the widening of the pay gap.

The gender pay gap is different from “equal pay”. Equal pay is the right for men and women to be paid the same when doing the same or equivalent work. The gender pay gap is the difference in the average earnings of men and women regardless of the job role or work.
